A THANK YOU FROM THE FARM

Thirty-five years ago Joe Gilbert and Tommy Carlucci were just talking about doing this one day. This summer we did it.

To every neighbor who pulled in on a Sunday, ordered lunch, and sat under the trees with us: thank you. You made the first season. And to the Gilbert family and the Berry Farm for having us: thank you.

See you next year.

Tommy Carlucci

Eat well. Live long. Carry the legacy.
